
Our Lady of Medjugorje's August 2, 2014 Message Given on the Day for Nonbelievers

Medjugorje August 2, 2014 A.D.

Our Lady Queen of Peace of Medjugorje's August 2, 2014 Message
Given through Mirjana on the Day for Non-Believers

“Dear children, the reason that I am with you, my mission, is to help you for ‘good’ to win, even though this does not seem possible to you now. I know that you do not understand many things as I also did not understand everything, everything that my Son explained to me while He was growing up alongside me – but I believed Him and followed Him. I ask this of you also, to believe me and to follow me. However, my children, to follow me means to love my Son above everything, to love Him in every person without making differences. For you to be able to do this, I call you anew to renunciation, prayer and fasting. I am calling you for the Eucharist to be the life of your soul. I am calling you to be my apostles of light who will spread love and mercy through the world. My children, your life is only a blink in contrast to eternal life. And when you come before my Son, in your hearts He will see how much love you had. In order to spread love in the right way, I am asking my Son, through love, to grant you unity through Him, unity among you, unity between you and your

shepherds. Through them my Son always gives Himself to you anew and renews your soul. Do not forget this. Thank you.”

* Remember There is Still More to Come:

A Friend of Medjugorje works on a writing for the second of the month message. These writings continue to be a major source of insight to the message, and many say that it leads not only to a much greater understanding of Our Lady's message, but also of Our Lady Herself. Keep checking Medjugorje.com for more.

Be sure to listen to the *Radio Wave* show, with A Friend of Medjugorje, tonight **7:00 PM Central Time USA**, for more real-life, and in-depth insight for today's July 2 message from Our Lady. To listen live, or for your local online broadcast time, visit [here](#)...
