
Special Writing Delayed...

UPDATE September 8, 2014 A.D.

September 8, 2014 A.D.

A Friend of Medjugorje's writing is delayed!! Why? It is a major statement in regards to Medjugorje and all those who have accepted Her words who "want to be Her apostles." You will want to enter this in prayer. Begin now. It will have a profound impact on you and less so if not prepared for it, for the Holy Spirit to give you insights about yourself and your walk with Our Lady. This "is" the moment! Plan on spreading it to all those on your email list, church groups and prayer groups. We will keep you updated for its release...
