A Friend of Medjugorje, who has brought more pilgrims from North America to Medjugorje, tells us:

“There is no place on earth that is able to change someone’s heart, heal their soul, change damaging mentalities, heal relationships and meet so many of the heart’s needs more than the place of Medjugorje. It cannot be explained with words, rather, only with the heart experiencing it.”

Written on February 13, 2007, for the launching of BVM pilgrimage site

You can't go to Medjugorje with just anyone. Choose to join over 28 years of witnessing the message with Our Lady. She is calling you. She is waiting to help you on your way. We invite you. Have faith.
