An update on the status of Medjugorje.com and the 2016 budget will be released around late-morning today, **Monday, February 15, 2016**. Thank you to all those who have given, and please continue to pray for this goal, for “others” to give, and for Our Lady’s mission. A Friend of Medjugorje wrote on February 2, 2015:

“If you pray to comprehend, you would know Our Lady is here to rebuild the Church and thereby the world. Saint John Paul II, at a gathering of the new movements of the Church with other major orders of the Church said, “The laity will renew the Church. The Franciscans and Dominicans can help.” If you pray, you would comprehend the apostles/bishops are to help us. We need them for the administration of the sacraments, the teaching of the Church, etc. Yet, and that is a big ‘yet’, we are the apostles of Our Lady, the apostles of the Gospel of Mary who will rebirth the Church and the world.”

Apostles vs. Apostles

Apostles, continue to pray for this goal and this work of Our Lady.
God Bless!
