
Our Lady of Medjugorje's April 2, 2016 Message, Given on the Day of Prayer for Nonbelievers

Medjugorje April 2, 2016 A.D.

Our Lady Queen of Peace of Medjugorje's April 2, 2016 Message
Given through Mirjana on the Day for Non-Believers

“Dear children, do not have hearts that are hard, closed and filled with fear. Permit my motherly love to illuminate them and fill them with love and hope; so that, as a mother, I may soothe your pains because I know them, I experienced them. Pain elevates and is the greatest prayer. My Son, in a special way, loves those who suffer pains. He sent me to soothe them for you and bring hope. Trust in Him. I know that it is difficult for you because you see more and more darkness around you. My children, it is necessary to break it by prayer and love. The one who prays and loves is not afraid, he has hope and a merciful love, he sees the light and sees my Son. As my apostles, I call you to keep trying to be an example of merciful love and hope. Always pray anew for all the more love because merciful love brings light which breaks every darkness - it brings my Son. Do not be afraid, you are not alone, I am with you. I implore you to pray for your shepherds that at every moment they may have love, that they may work for my Son with love - through Him and in memory of Him. Thank you.”

Be in prayer for the second of the month writing from a Friend of Medjugorje on Our Lady's message today. They are what many see as the Epistles of Our Lady. It is planned to be released on Monday, April 4, 2016.

„Draga djeco, nemojte imati tvrda, zatvorena i strahom ispunjena srca. Dopustite mojoj majčinskoj ljubavi da ih obasja i ispuni ljubavlju i nadom, da vam kao majka ublažim boli jer ja ih poznajem, ja sam ih iskusila. Bol uzdiže i najveća je molitva. Moj Sin na poseban način ljubi one koji trpe boli. Mene je poslao da vam ih ublažim i donesem nadu. Pouzdajte se u Njega. Znam da vam je teško jer oko sebe vidite sve više tame. Djeco moja, potrebno ju je razbiti molitvom i ljubavlju. Onaj tko moli i ljubi ne boji se, on ima nadu i milosrdnu ljubav, vidi svjetlost i vidi moga Sina. Kao svoje apostole pozivam vas da pokušavate biti primjer milosrdne ljubavi i nade. Uvijek iznova molite za što više ljubavi jer milosrdna ljubav donosi svjetlo koje razbija svaku tamu, donosi moga Sina. Ne bojte se, niste sami, ja sam s vama. Molim vas da molite za svoje pastire, da u svakom trenutku imaju ljubavi, da s
