
Upcoming Novena Prayers

September 9, 2016 A.D.

Remember that this coming Monday, September 12, begins the 9 week countdown of novenas for the upcoming 2016 Elections in the United States. The powers of darkness and good are at war, and it is being manifested everyday. Our protection is in the mantle of Our Lady. A Friend of Medjugorje wrote in 1999:

“...The accumulation of sin is amassed to the point when in another time God sealed the door of the Ark. Oh door of our time...where are you but in the opening of Our Lady’s mantle...”¹

We wish to be in Her mantle. Be sure to get involved, get active and get hearts close to Our Lady. The strategy is simple, and has already been laid out in, A Revolution for Her Son... It does not take great numbers, it takes great prayer. Stay close to Medjugorje.com for another announcement pertaining to this important Revolution for Her Son...
