Our Lady Queen of Peace of Medjugorje's February 2, 2014 Message
Given through Mirjana on the Day for Non-Believers

“Dear children; with motherly love I desire to teach you sincerity, because I desire that, in your actions as my apostles, you be exact, resolute, and above all sincere. I desire that, by the grace of God, you be open for a blessing. I desire that by fasting and prayer you obtain from the Heavenly Father the cognition of what is natural and holy – Divine. Filled with cognition, under the shelter of my Son and myself, you will be my apostles who will know how to spread the Word of God to all those who do not know of it; and you will know how to overcome obstacles that will stand in your way. My children, by means of a blessing, God’s grace will descend upon you and you will be able to retain it through fasting, prayer, purification and reconciliation. You will have the efficiency which I seek of you. Pray for your shepherds that the ray of God’s grace may illuminate their ways. Thank you.”

* More to Know:

A message such as today's is a message which requires more than just a quick read, as Our Lady's words are out of the ordinary for the second of the month. As you know, A Friend of Medjugorje is working on a writing for today's message, and being that Our Lady's words say so much more than what is read in their words, he is doing something more in-depth, and which we will release on Monday morning, February 3. Be in prayer for this writing, for it will open your eyes for a greater understanding of Our Lady's message. This is a writing that you will want to pass onto to all of your family, friends, co-workers, and Medjugorje people. Keep checking for the writing by A Friend of Medjugorje, which will be posted tomorrow, February 3.
