Our Lady Queen of Peace of Medjugorje's May 2, 2014 Message
Given through Mirjana on the Day for Non-Believers

“Dear children, I, your mother, am with you for the sake of your well-being, for the sake of your needs and for the sake of your personal cognition. The Heavenly Father gave you the freedom to decide on your own and to become cognizant on your own. I desire to help you. I desire to be a mother to you, a teacher of the truth – so that in the simplicity of an open heart, you may become cognizant of the immeasurable purity and of the light which comes from it and shatters darkness, the light which brings hope. I, my children, understand your pain and suffering. Who could understand you better than a mother? And you, my children? Small is the number of those who understand and follow me. Great is the number of those who are lost - of those who have not yet become cognizant of the truth in my Son. Therefore, my apostles, pray and act. Bring the light and do not lose hope. I am with you. In a special way I am with your shepherds. With a motherly heart I love and protect them, because they lead you to Heaven that was promised to you by my Son. Thank you.”

Mirjana said that Our Lady blessed all of those present and their religious articles. Mirjana also said that Our Lady was not sad, but She was decisive.
