## 19 Years Ago At Caritas

---

The following is a description of Our Lady's apparition to Marija, the visionary of Medjugorje, 19 years ago in the home of the founder of Caritas.

November 30, 1988, 10:30 p.m.

Our Lady came and was very happy. She blessed and prayed over everyone. Marija recommended all those present to Our lady and She prayed the Lord's Prayer and the Glory Be. Our Lady extended Her arms and prayed in Hebrew over everyone. Her message:

**“I wish that all your life be love, only love. Everything that you do, do it with love. In every little thing, see Jesus and His example. You also do as Jesus did. He died out of love for you. You also offer all you do with love to God, even the smallest little things of everyday life.”**

Then Our Lady made the Sign of the Cross and left saying, “Go in peace.” All gathered in the Bedroom were awed over hearing this messages, and it has become for some their favorite message of all messages over the course of Our Lady of Medjugorje's apparitions.
