
In Regard to Tomorrow's Special Annual Apparition-March 18, 2009

Please tell everyone that Our Lady's apparition to me on the 2nd of the month will now be like the regular apparitions to Vicka, Ivan, Jakov, and Marija. Our Lady said that whoever wants to be present at that apparition can come. Our Lady said that much prayer is needed for those who have not yet come to know the love of God. This is all."

Because of Our Lady stating that whoever wants to be present at that apparition, the next apparition was at the Blue Cross which enables many more people to be present with Our Lady.

Tomorrow

Mirjana's location for Our Lady's apparitions is changing. Tomorrow's annual March 18, 2009 apparition will be at the Blue Cross at 2:00 p.m., Medjugorje time. Thousands will gather for this annual apparition in prayer, to be blessed and to petition, for the moment Our Lady comes to the earth. With this important visit and the words that are usually given from the Holy Virgin Mary, you too can do the same in union with those at the site. Be in prayer for the conversion of the earth. Ask for a blessing and give Our Lady your petitions at that moment in which She is upon the earth appearing in Medjugorje to Mirjana.
