
Saint Michael While We Wait for the Message

October 22, 2007

Medjugorje, Monday October 22, 2007

Saint Michael stands guard at the Caritas Mission House in Medjugorje. This year thousands have passed through the doors of the Mission House to receive the messages of Our Lady. In just a few days, Our Lady will give the 25th message to the world through Marija, and the Mission House will again be flooded with pilgrims to take those words home with them and to put them into life.
