# 1990 - Medjugorje Messages for Nonbelievers

---

February 2, 1990

Mirjana received this apparition in Portland, Oregon in the United States of America while visiting Father Milan Mikulich who presided at her marriage. Mirjana had been receiving interior locutions on the second day of each month but on this occasion she was graced by an apparition and message for the world.

**“I have been with you nine years. For nine years I wanted to tell you that God, your Father, is the only way, truth and life. I wish to show you the way to Eternal Life. I wish to be your tie, your connection to the profound faith.**

**LISTEN TO ME!**

**“Take your Rosary and get your children, your families with you. This is the way to come to salvation. Give your good example to your children: give good example to those who do not believe. You will not have happiness on this earth, neither will you come to Heaven if you are not with pure and humble hearts, and do not fulfill the law of God. I am asking for your help to join me to pray for those who do not believe. You are helping me very little. You have little charity or love for your neighbor and God gave you the love and showed you how you should forgive and love**

**others. For that reason, reconcile and purify your soul.  
TAKE YOUR ROSARY AND PRAY IT. All your  
sufferings take patiently. You should remember that Jesus  
was patiently suffering for you.**

**“Let me be your Mother and your tie to God, to the  
Eternal Life. Do not impose your faith on the unbelievers.  
Show it to them by your example and pray for them. MY  
CHILDREN, PRAY!”**

Mirjana told Fr. Milan that Our Lady was referring to the Sacrament of Reconciliation, for Catholics, when She said. “ **...reconcile and purify your soul.** ”

Through the years, Our Lady has given several bold and strong messages when the visionaries have had their apparitions in America, as this message given to Mirjana in America shows. Marija's apparitions in America have been profound, Our Lady being boldly forward in messages given in Alabama about Her Special Blessing and to spread it, which the mentality in Medjugorje has oppressed. Jakov had his last apparition in America. It is viewed by some that Our Lady has done this because the mentality in America is more apt to release what Our Lady says and get the information out.
