January 9, 1989

**“Dear children, pray because satan is very active in this
time. He wants to destroy everything you have received
from me. During these days I invite you to renew the
prayer in your families and to pray all the mysteries of the
Rosary every evening.”**

February 6, 1989 (Special Blessing)

Our Lady will be with us and will accompany us. She gave ' **SPECIAL BLESSING.**'”

February 13, 1989

“Dear children, remember the four things you have to do during Lent. Tonight when you go home, I ask you to be thankful in front of the Crucifix for all that you feel you should be grateful for; thank Jesus for what you want. My Son will hear you.”

February 17, 1989

“Dear children, tonight I don't ask you to do anything special. I only wish you to begin to live my messages. Dear children, I seek your action, not your words! You are all happy when I give you a beautiful message, but live the message I give! May each message be for your new growth. Take this message into your life, in this way you will grow in life. Your Mother cannot give you other messages if you don't live the ones I already gave you. Begin tonight to live the messages.”

February 24, 1989

“Tonight when you go home, pray The Lord’s Prayer, the Hail Mary, and the Glory Be seven times, and then pray The Lord’s Prayer, the Hail Mary, and the Glory Be five times.”

February 27, 1989

“Dear children, during this time multiply your prayers and go deeper into the messages that I have given. Tonight when you go home, pray the Joyful Mysteries in front of the Crucifix.”

March 3, 1989

“Dear children, I thank you because by your coming here you have helped to fulfill the plan of God. During this time pray and renew yourselves. Tonight when you come home, pray the Joyful Mysteries in front of the Crucifix.”

March 17, 1989

“I ask you again to multiply your prayers to prepare yourself for Easter. Also, read the Bible, especially those passages that tell about the Passion of Jesus. Prepare yourself to look at Jesus ‘eye to eye.’ Tonight when you come home, pray in front of the Crucifix in thanksgiving for all the graces you receive.”

March 20, 1989

“Tonight I ask you to begin from today to pray all the more. Contemplate the wounds of Jesus. Pray as much as you can in front of the Crucifix. May the cross be (just) for you in the day (of the cross).”

March 24, 1989 (GOOD FRIDAY)

“Dear children, tonight your Mother is happy to see you in such large numbers. I wish, dear children, that you start from today to live a different life. Your Mother gives you love; give this love to others so we can be ready to live Easter. When you go back in your homes finish this day in prayer.”

March 27, 1989 (EASTER MONDAY)

“Dear children, your Mother calls you to completely surrender to God. Dear children, this is a time of grace. Pray as much as you can and renew yourself through prayer. Construct yourself spiritually. This construction lasts until the end of your life. Continue to pray as much as you can and with your prayers you will help me.”

May 5, 1989

“Dear children, tonight your Mother invites you to pray as much as you can during this time. This is a time of grace. Abandon yourselves to the Spirit for Him to renew you. May prayer renew your bodies, your souls, your hearts. Don't let your bodies be weak. You know that the Spirit is always willing.”

May 12, 1989

“Now istime of special graces, but satan is very active.”

June 6, 1989

“Dear children, the Mother is happy to be with all of you. Dear children, you have helped me to realize the plans of God. I want to speak to you about love and give you love. In these days, prepare yourselves for the anniversary of the apparitions with love, with my messages, and with joy and the Mother will help you, dear children, and the Mother will stay with you. There is nothing more important for you but to put what I have said in first place.”

June 16, 1989

“Dear children, I want more penance from you.”

June 23, 1989

“Dear children, I am happy to see you in such a large number. I would like to pray for you in a special way tonight. Dear children, give me the day that comes (June 24, 1989) in prayer.”

June 26, 1989

“Dear children, your Mother told you yesterday to renew the messages from now on. Your Mother asks, especially from you of the group of prayer, to live from now on the messages in prayer. If you want your Mother to give other and new messages, you first have to live those messages I have already given.”

July 3, 1989

“Dear children, your Mother asks you tonight, you, who are present (people were present from all over the world), when you get back into your home, renew prayer in your

family. Take time for prayer, dear children. I, as your Mother, especially want to tell you that the family has to pray together. The Holy Spirit wants to be present in the families. Allow the Holy Spirit to come. The Holy Spirit comes through prayer. That is why, pray and allow the Holy Spirit to renew you, to renew today's family. Your Mother will help you."

July 10, 1989 or July 14, 1989

"Dear children, you know we are living the Year of the Young People. This year ends on August 15. Your Mother wishes to dedicate one more year to the youth, but not only to the youth. May this year also be the year of the family. Dear children, in these days before the fifteenth of August, prepare yourselves, you and your family, for the new year to come so it may be the Year of the Family."

July 17, 1989

"Dear children, I would like to call you to start again to live the messages. More than eight years ago your Mother told four messages: Peace, Conversion, Sacrifice, and Faith. Dear children, I would like you to live the messages through prayer. I know how much you give me promises through words, but, dear children, I want you to put that into practice. I will pray, dear children, and I will help you. Conversion is process which goes on through your entire life."

July 21, 1989

"Pray for my intentions."

July 24, 1989

“Dear children, tonight your Mother is happy to see you in such large numbers. Your Mother wants to give you love tonight so you can give and share this love with others when you will come back to your homes. Live love. I want to give you peace, so you can carry it to others. You cannot give peace to others if you don’t have this peace within yourselves. I need you, dear children, to cooperate with me, because there are today many plans that I cannot fulfill without you. I need your cooperation. Pray, pray, pray.”

July 31, 1989

“Dear children, tonight especially I would like to invite all the parents in the world to find time for their children and family. May they offer love to their children. May this love that they offer be parental and Motherly love. Once again, dear children, I call you to family prayer. During one of the previous encounters your Mother asked you to renew the family prayer. I ask that again tonight. During this period, let us pray together for all the young people in the world.”

August 7, 1989

“Tonight your Mother wants to call you to prayer. This is a time of grace. Pray, dear children, and your Mother will pray together with you. Abandon to your Mother all your problems and difficulties.”

August 11, 1989

“I call you to prayer, like I have done also in the previous encounter. I ask that during the three days to come each one of you make a sacrifice, give up something that is dear to you in life. Give up something especially during those three days.”

August 14, 1989 (Special Blessing)

“My dear children, tonight your Mother is happy, happy, happy to be with you and to see you in such large numbers. I am happy for what we have done in this Year of the Youth. We have stepped a step forward. I would like to see in the future parents in the families work and pray as much as they can with their children, so they can, from day to day, strengthen their spirit. Your Mother is here to help each one of you; open yourselves to your Mother; She is waiting for you. May this moment you will live at midnight be a moment of thanksgiving for everything you received during this year.”

August 18, 1989

“Dear children, tonight your Mother asks you in this period of time to pray for peace in the world.”

August 21, 1989

“Tonight your Mother wants to invite you to start again to live the messages. Children, your Mother cannot give you new messages if you do not live the messages I have already given. Decide with love and joy to begin to live the messages, for your Mother to continue to guide you, for you to continue your growth in love with your Mother living the messages.”

December 15, 1989

“Prepare yourselves spiritually and physically for the Christmas Novena. In your prayers say one prayer especially for my intentions. Renounce [give up] something that you like the most.”

December 18, 1989

“The prayers and sacrifices that you decide to offer in these days when I asked you were not done with love. I ask you to offer them with love as during the first days of the Apparitions. What you have decided to do and to offer for my intentions during the novena was not enough. You have to choose to give more because you are able.”

Our Lady prayed [in Hebrew] in Her Mother tongue.

December 21, 1989

From Marija to Father Luciano:

“Our Lady asked me to pray and offer sacrifices for priests.”

December 22, 1989

Marija:

“Our Lady says this Christmas should be the most beautiful Christmas of your life.”

December 22, 1989

“Dear children, tonight your Mother wants to call you to prayer, call you to prayer during those two days. Through prayer open your hearts and let us wait all together for this day which is for us the day of joy. Dear children, I wish you to decide to do something concrete during these two days.”

December 25, 1989

“Dear children, here is my Son in my arms! I would like to ask you to be a light for all in the year to come. I would like to call you again to live the messages, those are messages of peace, conversion, prayer, penance, and faith. Dear children, your Mother does not ask words from you, I ask for deeds. Your Mother will help you and She will give you the strength to continue. And tonight I would like to tell you: Rejoice!”
