
Medjugorje Annual Apparitions 1985 - Medjugorje Messages

March 18, 1985 - Mirjana's Annual Apparition

To Mirjana:

“The Rosary is not an ornament for the home, as one often times limits himself to using it. Tell everyone to pray it.

“Right now many are greatly seeking money, not only in the parish, but in the whole world. Woe to those who seek to take everything from those who come, and blessed are those from whom they take everything.

“May the priests help you because I have entrusted to you heavy burden, and I suffer from your difficulties. Ivan did not make a big mistake. I have sufficiently reprimanded him for the error. It is not necessary to scold him anymore.”
