
Light Won't Reign in the World Until People Accept Jesus

Jelena is one of the Medjugorje inner locutionists. In 1987, Our Lady gave her an incredible message in which Our Lady relates why the parish was chosen, why She was staying so long in Medjugorje, and what the only way to save the human race was. This is one of those messages which should be read over and over and prayed about to understand it completely. Our Lady says the mysteries of the messages can only be understood through prayer. It would be wise to write this powerful message on our hearts.

This message was given through Jelena. Our Lady said:

“Dear children, today I invite you in a special way to pray for the plans of God to be fulfilled: first of all with you, then with this parish which God Himself has chosen. Dear children, to be chose by God is really something great, but it is also a responsibility for you to pray more, for you, the chosen ones, to encourage others, so you can be a light for people in darkness.

“Children, darkness reigns over the whole world. People are attracted by many things and they forget about the more important.

“Light won’t reign in the world until people accept Jesus,

until they live His words, which is the word of the Gospel.

“Dear children, this is the reason for my presence among you for such a long time: to lead you on the path of Jesus. I want to save you and through you, to save the whole world. Many people now live without faith; some don’t even want to hear about Jesus, but they still want peace and satisfaction! Children, here is the reason why I need your prayer: prayer is the only way to save the human race.”
