## **April 2, 2010 Message on the Day for Nonbelievers**

---

The following is Our Lady of Medjugorje's April 2, 2010 Message on the day for non-believers through Mirjana:

**“Dear children; Today I bless you in a special way and I pray for you to return to the right way to my Son — your Savior, your Redeemer — to Him who gave you eternal life. Reflect on everything human, on everything that does not permit you to set out after my Son — on transience, imperfections and limitations — and then think of my Son, of His Divine infiniteness. By your surrender and prayer ennoble your body and perfect your soul. Be ready, my children. Thank you.”**

*As Our Lady was leaving, Mirjana saw a large golden Cross behind Our Lady.*

More details and pictures from the apparition will be posted later on. Check [www.medjugorje.com](http://www.medjugorje.com) for the next few hours today to get the rest of the information.
