
It Ain't Gonna Happen is Astounding!

Some of the Caritas Community gives their impressions of the new Medjugorje book, It Ain't Gonna Happen, by a Friend of Medjugorje. Here is what a few of them write:

*“ It Ain't Gonna Happen is astounding. Each page contained truth unveiled and clearly gave a plan of action to remedy any situation. (Some of) The revelations (in the book) are incredible and I read them twice, crying most of the time. Thanks A Friend of Medjugorje, ‘...for giving your life to allow other life.’” ***

Another Community Member writes:

“I thought the book was incredible with some real crystal clear insights particularly with regards to “Our Lady’s economy” verse the worlds (anti-christ)... It shows in more depth and clarity the ‘whys’ of our way of life given by Our Lady.”
